

AMENDMENTS TO THE DRAWINGS

The attached sheet includes changes to Fig. 6. This sheet, which includes corrected Fig. 6, replaces the original sheet including Fig. 6. The only change to Fig. 6 is to provide the English language words “ β sheet” and “ α helix” for the corresponding Japanese text that appears at the bottom of Fig. 6 as originally submitted with the patent application.

Attachment: Replacement Sheet

REMARKS/ARGUMENTS

The Examiner is requested to approve the accompanying replacement drawings (Figure 6). As originally submitted, Figure 6 mistakenly retained some of the original Japanese words. The revised Figure 6 contains the appropriate English translations. Accordingly, the corrected Figure 6 contains no new matter. If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned attorney.

Respectfully submitted,
